Due to the 22nd Corona Control Ordinance Rhineland-Palatinate (22. CoBeLVO) Dated June 1st 2021, valid starting June 2nd 2021, combined with the hygienic concept for open-air pools and swimming lakes, it is necessary to insure a contact registration of all the visitors in order to enable the tracking of the lines of infection in the Corona pandemic. The data must be kept for one month starting with the date of the visit of the open-air pool. The data will remain confidential and will be deleted after this period of time according to the DSGVO (Datenschutzgrundverordnung) (GDPR – General Data Protection Regulation).
